**Notice of Agreement for Solar Cell Business Project  
at Xi'an Hi-tech Industries Development Zone**

INTER ACTION Corporation has been considering the launch of business operations in Xi'an, China as was announced on January 9, 2009 in a release titled "Solar Cell Business Activities and Possible Establishment of Facility in Xi'an, China." On February 11, INTER ACTION reached an agreement with the Xi'an Hi-tech Industries Development Zone (HTDZ) to proceed with a solar cell business project. The two parties signed an investment agreement with the following terms.

1. Summary of investment agreement

(1) INTER ACTION will make an investment in order to move ahead with its solar cell business project at Xi'an HTDZ.

- The total investment will be 200 million yen.
- Registration with Xi'an HTDZ will be completed within two months after the investment agreement is signed.
- The initial investment will be 30 million yen and the remaining investment will be made within two years.

(2) Xi'an HTDZ will extend its permission to INTER ACTION to make this solar cell investment. In addition, Xi'an HTDZ will provide support and services for establishing a subsidiary in China as well as a rent exemption and other forms of assistance.

2. Signing ceremony

The investment agreement signing ceremony took place in Xi'an, China on February 11, 2009.
